

Helping business professionals get a competitive edge by sourcing affordable fiberglass, carbon fiber and basalt

Every day we help business professionals like you source composite raw materials at affordable prices.

When you need fiberglass, carbon fiber & basalt, let us help you. You'll get prompt service, low prices and good quality materials. And delivery is worldwide with sales to more than 22 countries since 1995.

What we can do for you

- ✓ Supply good quality composite raw materials for you at low prices
- ✓ Send you samples to try
- ✓ Get you small quantity orders for trials
- ✓ Arrange a regular delivery schedule to meet your needs
- ✓ Ship direct from the overseas factory to your location to reduce your cost
- ✓ Give you a sure fire way improve your bottom line

What we supply

- Composite raw materials to manufacturers and for construction projects.
- Fiberglass and basalt mesh for construction & building maintenance companies.
- Special high temperature silica mesh to the foundry industry.

Background

The business started in 1995 by importing fiberglass roving for use in a special machine. The machine cuts the fiberglass into strands and mixes it with emulsion. This mix is then used to reinforce and prevent cracking in road and pavement surfaces.

What others say

- *"My overall experience with Lance Brown Import Export has been favorable over the many years that I have*

dealt with you. The products are of good quality and conform to specification and any issues or problems have been rectified speedily and satisfactorily. Your service is professional and I have always enjoyed working with you as a supplier." - Mr A Tunley (South Africa).

- *"I am impressed! You work fast."* -- Waterson's Tools, Machinery & Supplies, USA.

- Thermoplastics
- Thermoset (BMC)
- Wet chopped strands
- Alkali resistant
- Gypsum

Chopped Strand Mat

Fiberglass mats

www.LBIE.com/csm.htm

- Powder chopped strand mat
- Emulsion chopped strand mat
- Stitch bound chopped strand mat
- Continuous filament mat

Fiberglass woven roving

Woven and nets

www.LBIE.com/wor.htm

- Woven roving
- Abrasive reinforcement discs
- Abrasive reinforcement mesh

Tissue (veils)

www.LBIE.com/fsm.htm

- Fiberglass tissue
- Black tissue
- Roofing tissue
- Pipe wrap tissue
- FRP surface tissue

Fiberglass mesh

Mesh and scrim

www.LBIE.com/krm.htm

- Alkali resistant mesh
- Self adhesive drywall tape
- Fiberglass scrim
- Fiberglass geogrid
- Silica filter mesh
- Tennis court surface mesh

High silica fabric

Electronic & filter

www.LBIE.com/cir.htm

- PCB fabric
- Aluminium filter fabric
- High silica fabric
- High silica yarn & filter mesh
- High silica chopped strands
- High silica insulation
- Fiberglass needled mat
- Dust filter fabric
- Industrial fabric
- Fire resistant rigid board

Fiberglass 3D woven fabric

Special products

www.LBIE.com/3dfab.htm

- 3D fiberglass sandwich fabric
- Texturized yarn
- S glass (high strength) material
- Silicone fiberglass fabric
- Basalt fiber
- Carbon fiber
- Multiaxial fabric
